Hello,

On Tuesday, November 4, voters within our community will be given the opportunity to vote on several important political positions, as well as several local ballot proposals. For Pinckney Community Schools, we are asking voters to renew a 6-year Non-Homestead Millage of 18 Mils. Once again, this is a tax **renewal** that is only applied to non-primary residence, such as a second home, business, etc. I have once again attached the FAQ sheet which contains much more information.

Additionally, we have three open seats for our Board of Education on the ballot. We have been so very fortunate here in Pinckney to have a Board that is truly collaborative and sincerely focused on what is best for kids. I have listed the candidates below:

George Rogers, Incumbent
Deborah Reynolds, Incumbent
Margaret Eibler (Write-In, Incumbent) and Paul Samways (Write-In)

As always, we encourage everyone to take advantage of one of the many great liberties we have as US citizens and get out to vote tomorrow.

Thank you,

Rick Todd
PCS, Superintendent
