The parties shall meet within five (5) working days of the request by the grievant to resolve the matter.

#### Step 2 – Formal Grievance/Principal

If the parties cannot agree as to the arbitration within five (5) working days from the notification date that arbitration will be pursued, he/she shall be selected by the American Arbitration Association in accord with its rules which shall likewise govern the arbitration proceeding. The arbitrator shall have no power to alter, add to, or subtract from the terms of this Agreement. Only those grievances arising from an alleged violation, misrepresentation or misapplication of this Agreement may be submitted directly to the Board for further disposition in accordance with this Article, but such grievance shall not be arbitratable. The authority of the arbitrator stems from this Agreement and his sole function is to interpret and apply this agreement and to pass upon alleged violations thereof on a binding basis. If a grievance is sustained by the arbitrator, the fees and expenses of the arbitrator shall be paid by the Board. If the grievance is not sustained by the arbitrator, such fees and expenses shall be paid by the Association. ## Appendix A

In the event that a bargaining group member's family member experiences a severe or catastrophic illness or injury and that member has exhausted all sick days, the member may petition other Association members to donate sick days.

The member has depleted all sick days and has petitioned the BCEA Executive Board to requests sick day donations from Association members.

Association members who have accumulated at least twenty (20) sick days may donate up to two (2) days to the above member.

BCEA will contact all members requesting the donation of sick days. Association members will complete and sign a separate form for each day donated. The Association will manage the donated pool of sick days. They will submit the signed donation forms to the payroll office designating the number of days to be donated each pay period.

The use of donated days will be dispensed by means of a random drawing of members donating at least one sick day. This procedure will continue until all donating individuals have used one day. The same process will be followed for individuals who have donated a second day or the above individual returns to work.

Each pay period, the payroll office will notify the Association members who have had days deducted from their donated days.
