Dear ,

We wanted to alert you to an exciting event coming up. In East Lansing on Saturday, June 12, former White House advisor Van Jones will take center stage as the keynote speaker at Progress Michigan's Michigan Summit: Blueprint for Change event. Visit [www.themichigansummit.org](http://www.themichigansummit.org)<<http://www.jennifergranholm.com/site/R?i=wUNHpZCzzTDHkXuvdUVpPw..>> to register to hear the globally recognized, award-winning pioneer in human rights and the clean-energy economy bring his positive message of change to Michigan!

As a senior fellow at the Center for American Progress, Van Jones is continuing his fight to show that the economic and ecological crises facing our nation can be solved together. We need more jobs for our families, our neighbors, our friends, and ourselves. But they can't be just any jobs.

We need jobs that can support families without sacrificing the health and future of our environment. Here in Michigan, where we stand on the cusp of a clean energy jobs revolution, Jones' message is vital to remaking our economy so we all share in the prosperity, not just the privileged few.

The Michigan Summit: Blueprint for Change is about getting the best, brightest, most creative and dedicated people together to create a roadmap for Michigan's resurgence. Don't miss your opportunity to hear top-notch thinkers and doers like Van Jones -- register today!<[http://www.jennifergranholm.com/site/R?i=eR\\_Cedf-q8wn1PfGVZn\\_90..](http://www.jennifergranholm.com/site/R?i=eR_Cedf-q8wn1PfGVZn_90..)>
