Hi Dan,

Thank your for talking to me today.

I'm the local leader for the Tea Party Patriots.

<http://www.teapartypatriots.org>

I checked into it further and my hands are tied.

No one in the National or Michigan Tea Party Movement can or will recognize you as legitimate.

You are considered an opportunist, interloper, inauthentic, illegal, fraud, fake, etc.

Please cease and desist using the Tea Party name and run as an Independent Candidate.

I'm confident you are sincere in your patriotic efforts.

I recommend you work with an existing local Tea Party, Oath Keepers or 9/12 Project.

You would be a great and valued asset to the Tea Party Movement.

Best regards,

Ron Acton
